Visiting Team Information

Welcome to Ave Maria University!

The Department of Sports Medicine is looking forward to your visit to our campus. Our staff will be available to assist you and your team with all your medical needs.

General Information:

- A certified Athletic Trainer will be present for all home hosted events/competitions
- The Athletic Training Room is located in the rear of the Donahue Academy, directly behind the gymnasium
- The Athletic Training Facility is equipped with state of the art equipment, emergency supplies, rehab equipment and general supplies
- Each team will be provided with water, cups/bottles, ice and ice bags
- Each team is responsible for bringing shower and bench towels for personal use
- Emergency equipment available will include but is not limited to; AED's, stretchers, crutches, and splinting materials
- Physicians will be on call, and arrangements will be made for all necessary medical procedures

Treatment:

- The Ave Maria athletic training facility will be available to provide necessary treatments for your student athletes. Please call ahead to arrange treatment times
- Only basic treatments (ice/hydrocollator packs) will be given to a visiting student athlete unless we receive a written protocol from the visiting teams Head Trainer detailing the type of treatment to be rendered

Traveling without an ATC:

- Please notify us in advance if your team will not be traveling with an ATC, so we can make the necessary arrangements to provide the additional coverage
- Please send your teams with all necessary supplies (medical kit and taping items)
- Please make sure the Head Coach has the Ave Maria University Sports Medicine contact information
- Please send all student-athlete insurance and emergency contact information with your team
- Please notify us if you plan to practice while on campus so we can provide the necessary provisions for your team
